

## Music for Circle

THE SECOND WELL TRUST presents 'Music for Circle'

A Teaching from Songee, early 1991

---

*This teaching is published in 'The Facets of the Diamond'.*

*Could it be suitable to play music before the Circle begins as it seems we are sometimes losing power?*

**Songee:** Music is always welcome it assists from this side for us to work with (?you).

*Is there any special kind of music more suitable than others?*

**Songee:** Any music that feels right for now, some will calm, some will bring out that which has to be brought, some for healing of the soul, some for the mind, some for the physical body the energy that releases into the ether of this room is something that can be used over here by us. Those who are in charge of such things.

You can use at times, flowers or anything of nature that also brings a vibration of higher nature, you may bring even earth, bring water from the sea, river and lake.

The water you bring from the sea, river, - not to drink - will open it up to the atmosphere of the room. You will be surprised at some of the things that you receive. What you receive, different vibrations, different things, different times. You can bring rocks from the ground, they bring their own vibration to the room. Even like to bring the food into the centre of the group especially at the time of the harvest.

*I had an orchid plant in the room and I thought that with the energy it would be healthy unfortunately it died. What was the reason for this please?*

**Songee:** The energy can sometimes be too great for the living organism. If you wish you can filter it out by putting a screen around it otherwise it can become cooked, this allows a certain amount to go to it. It takes too much energy for itself and it does not stay here but returns to the spirit world from whence it came.

Sometimes it can be that the organism is at the end of its natural life. No matter how long you may think that it should be. It too has a destiny path to fulfil, do not grieve too long it will come back into spirit. All things return to spirit. Every grain of food that you eat, every leaf is returned to spirit. It gives blood to you so that you may live and returns from whence it came, nothing is lost.
