

## Return to the Knowledge

THE SECOND WELL TRUST presents 'Return to the Knowledge'

A Teaching from Songee, mid 1994

### CONTENT

#### Songee Introduces Herself

---

*This teaching is published in 'The Facets of the Diamond'.*

**Songee:** So tonight is a little different.

*We watched for changes with the Overshadowing and we noticed a number of different persons in spirit. Could you please tell us about the Red Indian with the Speaking Rod?*

**Songee:** The other was here to visit, also to show themselves, not to speak this time. That was not the purpose at this time. However from the culture which they come, this is acceptable.

*A saw them with the Talking Stick, she is Seeing very well since her return. Was it White Cloud or Grey Wolf?*

**Songee:** The Woman.

*Silver Doe?*

**Songee:** I say for you, to look to see the feature, to see who, when they come.

*We are not very efficient.*

**Songee:** It matters not, every little thing that you have is valuable and collectively more so. So put together all the bits and pieces that you have together and then you have better picture.

#### Songee Introduces Herself

This one, I have not been introduced to you. I am Songee.

*Songee, this is A.*

**Songee:** I am very happy to see you at the Meet, are you able to see I?

*Almost.*

**Songee:** Almost is enough. Many will see a form, they do not always see all the form. Some may only see the eye, so do not berate yourself.

So that you know and that you understand, I am not a Spirit Person, I have not had life upon the earth plane. I am only Energy. I have been given many names throughout history of mankind, from beginning time to many time to come, I come in many different forms to many different cultures. Those who know me, who speak for the people of the different clan that live upon the earth, have a name for I in all language all through time. I am the Mother of all the Earth. That is my function.

I speak through many different people at different times and each time I may use different way to look, different way to be here, yet always the same message. The message do not change from before time to this and to time to come. So always must I speak the truth.

*Thank you for letting me see that far.*

**Songee:** What is it that you do see?

*I saw the change of your features, and the over part with the colouring, but it was like silver blue dust. I wondered if that was the Electra Plasma. Whether you might manifest that much more.*

**Songee:** I only bring to the meet that which is required at any time, if more is required then more is brought. There is no need to bring overmuch. To do so is to use the energy to no good purpose, so that which you see is enough at this time.

*Thank you it was enough, I am happy and I am very proud to meet you.*

**Songee:** I am very happy to see that you have returned to the fold.

*It has taken a long time.*
