Songee

This Gathering was held in the Leader's home in South Auckland. The Introduction Incense was Musk, Sandalwood and Floral Wood. The Meeting began as usual with the Opening and then onto a Meditation.

The Introduction:

Incense – Moga, Oriental Sandalwood and Floral Wood.

Music – Ancient Mother by Robert Gass

Meditation

Incense – Morning Dew, Green Meadow.

(Three sticks of each were burnt over the time of the Meditation.)

Music – Irish Song: Lord of the Dance.

Stonehenge: Ancient Stones, Whispered Secrets,

Moon's Gift, First Light.

The Group took themselves to their Meadows of Peace to the sounds of an Irish Jig where most of us were aware of a troupe of small people dancing about us and being cheeky. When the music changed each felt the sensation of their own experiences, influenced by the music and these softly spoken words:

The wind whispers its secrets to you
And the moon brings you her gifts...

Brilliant crystals of a milliard hues
Shed their light as they hurl
 towards the earth
 to seed the land
Singing as they go.

Sparkle... True...
Crystal... Light...
For each of you.

And as the blessings of the Mother
come to rest

with peace and serenity,
With this you are blessed...

And so adieu.

Songee

Songee asks if we wish to hear the word and we say Yes Please. We replay the tape and still don't hear it very well. The whole recording is very difficult to hear and a number of words are lost.

Songee: A milliard of hues that come to the earth. If you not hear the word not to try to make it something else, only feel, feel it. Not to make nonsense of it after. Not to try to make it something.

You will discover among the word, the meaning, the TRUTH.

The Crystal Light of the TRUTH, as the Mother Gift comes to be.

When the Crystal come from the sky down to the earth and it come to rest, so there is another one for each of you. It is there also. And one of each of the Mother's gifts was given to you this night.

(The Group comments about this.)

Songee: So, that is not incorrect although the word I give for you, it is only the content of the word I give for you. The word comes from another. The Gift was mine..

The Group thank Songee for her Gift to each of us.

Songee then guides us all to sit in a circle close together and we began a Channelled Healing where after offering ourselves in service to the Oneness we feel the Energies flowing around us. Songee is standing close to us and helping with Her Power. Songee takes us through our visualising the energies flowing out from our finger tips. And as our fingers brush from our heads across our shoulders and arms, down our spines and legs then back up to our heads. We can feel the energy flowing in this circle. Then Songee gets us to turn in our chairs so we are facing the back of the person in front of us and we move our hands channelling the healing energies to the person in front. Our eyes are closed and with Songee's help the energy tickles us and some are laughing. The flow of energy is wrapping us up and we repeat this several times until we feel the energy fading away. We thank the Oneness for the healing energies and close our Circle after Songee has departed leaving us with the Power. Roberta-Margaret returns and has a headache. We sit her in the middle of our circle and channel the healing energies for her until the pain has gone.

(Each person at that Meeting received a crystal. I felt it in my chest where my heart chakra is. It came alive during my spiritual practises and when Songee came to be with us my crystal would begin to 'sing' with the resonance of Her Energy. Some of the other students spoke of similar things happening to them. CMH 2018)
